*Map shows trails in Androscoggin County*

- **Mt. Apatite** – I only saw blazes for a 4-mile loop trail in the woods, but according to other maps, there are more trails here.
- **Barker Mill Trail** – A half mile walk along the Androscoggin River.
- **Pettingill Park and Union Street Greenway** – A 1.5-mile or so trail, with a forested loop at one end.
- **Lewiston-Auburn Greenway Trail** – About a two-mile loop walk in the cities of Auburn and Lewiston. Quite fun.
- **Sherwood Forest Conservation Trail** – 78 acres, about 2.4 miles of trails, dogs allowed. Connects to snowmobile trails.
- **Lost Valley X-C and snowshoe trails** – This is a nice system of trails next to the downhill ski area, maintained by a group of volunteers. The day pass is \$10.
- **Lake Auburn Community Center Trails** – There are a few walking paths, a lot of snowmobile tracks, and a long stretch of gravel road along the lake on this property.
- **Salmon Point Trail (and Parcel 4)** – The Lake Auburn Watershed Protection Commission has short paths to the lake, the area's drinking water source.
