

Millinocket, and Millinocket Area

[View larger map](#)

Map shows trails in Penobscot County.

- New England Outdoor Center – More than 10 miles of groomed trails. Beautiful and very fun. Cozy lodge and cabins by the lake for after ski relaxation.
- Bait Hole trails – Roughly eight miles of easy x-c groomed trails (only after snowstorms). Biking popular, too. No dogs allowed.
- Mike Michaud Trail – An in-town, 1.6-mile paved, wheelchair accessible path. Much of it is trail along the river. Some sidewalk walking.
- River Pond Nature Trails – About 4.6 miles of trails in woods and along ponds with beautiful Katahdin views.
- Grindstone Falls Trail – This is a .9-mile one-way trail alongside some rapids in the East Branch Penobscot River. The trail was not posted in March, 2017, but there were plastic flags marking the way.
- East Millinocket Sno Rovers X-C Trails – About 8 miles of groomed, easy x-c track (only after snowstorms) just outside of the village area of town. Prettiest part is by the river. I think dogs are allowed?
- Northern Timber Cruisers northern cross-country trails – Roughly nine miles of groomed, fairly easy x-c trails. The trail system includes beautiful bogs and a warming hut. Dogs not allowed.
