

Places to X-C ski

These trail systems are (sometimes only occasionally) groomed for Nordic skiing, as in tracked or smoothed/packed down. You should, if you can, check ahead for grooming updates and trail conditions! Quite a few rely on volunteer groomers and only groom when there's decent snow. I'm starring the ones I was particularly impressed by (consistent grooming, fun trail system).

- **Lost Valley Nordic Trails, Auburn (day pass)*****
