

Roberts Farm, Norway

This is a great local resource – about five miles of groomed trails for nordic skiing, and another trail (Noyes Trail – which I haven't done yet) dedicated to snowshoers and dog walkers. All free, although you can leave a donation. One of the trails at this 165-acre [Western Foothills Land Trust](#) is wheelchair accessible (the Libby Hill Trail). There is free equipment to borrow when the warming hut is open.

Directions: From the intersection of Main Street and Route 117 in downtown Norway, take Route 117/118 west, out past the lake. After 2 miles, turn left onto Roberts Road and continue .2 miles to the Roberts Farm Preserve entrance, on your left.
